The United States Soccer Federation grade and title of an official will be determined solely by the standards and examinations issued by the National Referee Committee and the United States Soccer Federation Board of Directors. Annual re-examination is required. Referees who do not meet all published criteria for their grade level will not be eligible for game assignments made through the U.S Soccer National Program for Referee Development.

A referee must officiate at the next - higher level to accumulate experience to be certified competent at that level. Assignors must exercise care to increase the difficulty level of the game assignments in a gradual and orderly manner for the good of the official and of the players.

\*International Assistant Referees must wear the USSF National Referee badge when assigned as referee in all matches.
